# More, More About Jesus

## December 2024

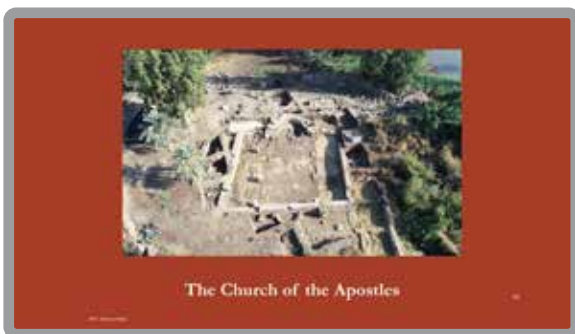

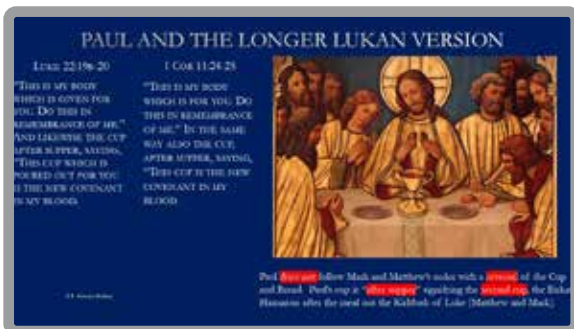

### Fascinating Messages from our Annual Conference

Our guest speaker this year, Steven Notley, brought us three fascinating messages about: Jesus and the Passover, Bethsaida - home of the apostles, and Jesus in his Jewish world. In addition our Chief Executive, Jacob Vince presented a message about the royal line that led to Jesus, and the land of Israel. These video recordings could make an ideal gift for those who want to know more about the Saviour.

*Available in DVD and MP4 formats.*

### Jesus and the Passover

In his first message, Steven Notley reviewed the evidence in the four Gospels, described some intriguing details about those accounts and drew a conclusion as to whether the Last Supper, held on Thursday, was actually a Passover meal.

### Bethsaida - Home of the Apostles

A lavishly illustrated talk on the latest archaeological excavation to discover the lost city of Bethsaida, which features so often in the Gospels. Matching history with geography was crucial to this successful search.

### The Line and the Land

In a review covering all four sections of the Bible - Law, Prophets, Psalms and Apostles - Jacob Vince showed how the royal line and the land of Israel are consistent themes in Scripture, reflecting the unbreakable nature of God's promises.

#### Line in the Psalms (cont.)

The LORD says to my Lord: "Sit at my right hand until I make your enemies a footstall of your feet."  
(Psalm 110:1)

The LORD has sworn and will not change his mind:  
"You are a priest for ever, in the order of Melchizedek"  
(Psalm 110:4)

### Jesus in the Land of Israel

In his third well-illustrated talk, Steven Notley described the importance of location in understanding Jesus' teaching, plus the fact that he spoke Hebrew, he was well educated and embraced the emerging Judaism of the First Century.
