### **B436 - The Destiny of Israel and the Church**

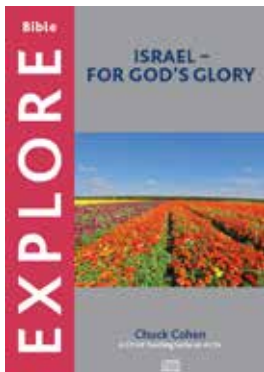

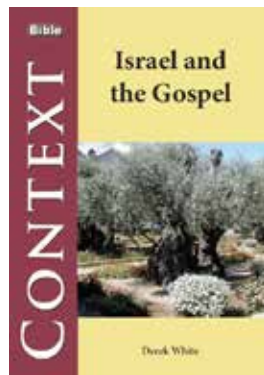

Israel is at the centre of a powerful clash of forces, but God has established firm covenants with both Israel and the Church. In this 128-page book Derek Prince presents a rigorous biblical analysis revealing how the destiny of Israel, while clearly distinct from the destiny of the Church, is interwoven with it. One of the most exciting features of the period in which we now live is that they are once again beginning to converge.

### **BT18 - Israel and the Gospel**

This 39-page booklet seeks to answer the question many serious church leaders and pastors raise, namely “What has Israel to do with my church’s call to spread the gospel and build the church?” It heeds Paul’s warning to Gentile believers not to boast over branches that have been broken off from God’s olive tree.
