### BT25 From Passover to Easter

Many Christians regard Easter as a purely Christian invention, while other believers may be troubled by its pagan associations and reject it altogether. Both of these perspectives are wrong.

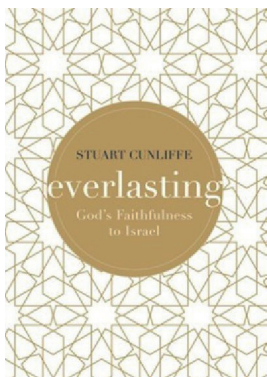

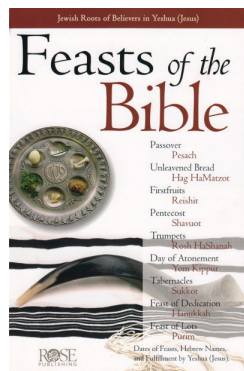

Discover through Derek White's 27-page booklet how Easter is actually a fulfilment of Passover - both in its timing and meaning.

### BT47 Feasts of the Bible

This 14-panel foldout pamphlet shows the feasts and holy days that God commanded the children of Israel to observe as memorials to the great things that he had done and would do in their lives. These are holidays that Jesus observed throughout his life.

### B538 Everlasting – God's Faithfulness to Israel

The Jews were God's chosen people. But are they still God's chosen people? The biblical patriarchs were Jews, the Old Testament prophets were Jews, Jesus is a Jew. We owe a tremendous debt to the Jews!

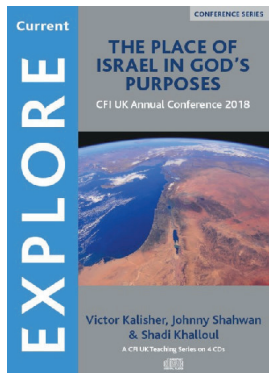

Stuart Cunliffe's 92-page book traces the Jews' past, present and future, providing valuable insights into Christian faith and highlighting God's amazing faithfulness.
